Foreword

Our future has now begun,
Again a door swings wide—
A promise, yet a challenge, too,
And we meet it with joy and pride.

Through this open door we see a
path
That winds as the years unfold;
We shall journey along—on our
lips a song,
We face all with our hearts so bold.

We face these years ahead of us
With memories so happy and gay—
Our Teachers, our friends and our
classmates all,
Studies, parties, classes and play.

We love the dear school days gone by,
And loyal to them, we shall be;
The lessons you've taught and the
goodness you've brought
Will brighten our future with glee.

For the future we face—and face
it we must,
The path we shall walk with firm tread;
Unfaltering steps, strengthened by faith
Shall stand each of us in good stead.

As our future begins, and we bid you
farewell,
Our hearts ring out boldly in song,
Bidding us all to hasten forth
Into a world we shall help to make strong.

Forward we go in search of good—
Out toward the golden rule,
Toward hopes, toward courage, toward faith,
and toward trust,
As we say "goodbye" dear old school.

You will linger forever in thoughts of
pure gold;
May our loyalty, always be true,
Your banner we'll hold, dear orange and black
As we bow and say fondly 'Adieu'.

Dedication

We dedicate this "53" Arrow to all the boys and girls from Molalla Union High School who are serving in any branch of the United States Armed Forces throughout the duration of the Korean conflict.

"In this strange victory that must be won
It takes your youth, your strength of heart and mind,
Your valor and your courage and your might
To bring to pass the miracle of peace."

"And may the Good Lord watch over and keep you, and those who go with you as the guardians of American freedom, until the day when we shall thank God for peace and a safe homecoming."

These pictures represent only a few of those who are in the Armed Forces from Molalla High. We were sorry we could not have every one, but we wish to thank all those who contributed the pictures for this page.

The Principal's Message

Each year we work faithfully and diligently to record our activities in the form of an annual. During the last few days of May, when school is about to close, we realize that the Seniors will be with us no more.

To the Seniors I extend the hope that you will be successful in whatever you choose to do. I know you leave a challenge to the underclassmen.

Many of you will decide to establish a home within the next few years. I hope you will remember that the influence of a home has long been recognized as a powerful force in the life of a nation. Now that our school is closing, it is time to let your parents know how much you appreciated having a good home.

CLASS HISTORY

Our Mighty Graduating Class of 1953 started out the fall of 1949 with 136 frightened Freshmen. We lost several during our four years, but ended with 77 graduating.

In our Sophomore year we were proud to receive second place at the FFA Amateur Show, contributing a "Baby Contest."

The highlight of our Junior year was the riotous play, "If You Knew Susie," followed closely by the Junior-Senior Prom, its theme being "Treasure Island."

As Seniors we took first place in the magazine drive; also first in the Polio Fund drive. Then, of course, the most important of all, GRADUATION!

The FFA was organized in November 1928, being built upon a foundation which includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

The Molalla Chapter is the largest in Oregon, and during the past year its members raised enough money to purchase a tractor, a plow, two disks, and a post hole digger as well as other minor equipment; to provide the annual banquet for parents and friends, and to sponsor the annual Senior trip.

STORY

Mr. and Mrs. Rose were a kind-hearted couple who lived in "The Pumpkin Shell." It was impossible for them to turn away from their home any unfortunate child. They kept Janey for a short time, but she seemed as frightened as ever at the end of two weeks. She wanted to stay with them and the youngsters voted her in. Next, Jimmy John is introduced into the household. Mrs. Rose is kind to him and he is so glad to have "folks" that he improves in every way and through him the story has a happy ending.

The Indians started the football season with a nucleus of five lettermen and forty Junior, Sophomore and Freshmen boys. Though many of the boys were inexperienced at the start of the season, the squad turned in a good record of three wins, three defeats, and one tie in the W.V.L. play.

Gary Hunt and Fred Sandgren were elected team captain and co-captain respectively by the squad.

Fred Sandgren, George Krupicka, Roger Phelps, and David DeFrates were selected to play on the Clackamas County All-Star Football Team. George Krupicka was also selected on the W.V.L. All-Star Team.

The team opened this season with high hopes of winning the Willamette Valley League championship. After winning over strong teams in the pre-season games and achieving five straight league victories, this goal seemed within its grasp. However, illness and injuries took a hand, and when the "hard luck" omen disappeared, the Indians had to be content with second place in the league.

This team showed its potential greatness by defeating West Linn and Lake Oswego, two highly favored ball clubs, in the district play-off. Fans, sports writers, and students cheered the Indians for their great effort. In the finals the boys put on a terrific show against Milwaukie, and only "Lady Luck" kept them from going to the state tournament--the score was so close.

Coach Gronquist considers this year's team the best club he has had in five years at Molalla. He would have been proud to have gotten them into the state tournament, as he knew they would have made a creditable showing for the school and the community. He feels that they did a hard job and did it well.

The "B" squad team had a very successful season this year, turning in a 10 won - 4 lost record for the Willamette Valley League. This record placed them in second place behind Dallas, which had a 12 won - 2 lost record.

The boys' most cherished victory was over this same champion, Dallas, in the next to the last game of the season.

The team progressed rapidly as the season went along, losing its first three games in a row and then winning ten out of the last eleven, beating Woodburn 50 - 37 in the final game.

The boys who put in the most playing time under actual game conditions were: David Parker, Dewayne Parker, Jack Bye, Wally Aho, Ronald Lewis, Donald Moger, Kenneth Naylor, Dennis Peeples, Tim Brownhill, and Ronald Towell.

The first home track meet in five years was held at Molalla this year.

Molalla has been strong in track in the Willamette Valley League and has made a good showing even though we have no real track on which to practice.

Outstanding from among the forty-five boys who turned out for track were: George Krupicka, Tim Brownhill, David Hagen, Roger Phelps, Arnold Collins, Wally Aho, and Bill Morgan.

The Indians competed against West Linn, Canby, Newberg, and Lake Oswego in dual meets. They also entered the Hayward Relays, the Willamette Relays, the Canby Relays, the W.V.L. League Meet at Willamette University, the District Meet at Salem, and the State Track Meet at Corvallis.

New track suits and warm-ups have added greatly to the interest in track among the boys and have helped the boys make a good showing for themselves and the school.
